Subject: RE: Scania mtg request: Connectivity - 24 January 2018

Thanks a lot for your flexibility.

We will manage to keep the timing at 12:00 in that case.

Looking forward to the discussion early next year!

Best regards,

Dear [REDACTED]

The earlier slot is difficult as Mr Strotmann will be in a meeting that he cannot move up until 11.45. Do you think you would still be able to maintain the 12.00 slot or alternatively to meet already in the morning at 09.30?

Thank you,

[REDACTED]

Dear Max,

Thank you very much for the positive response and apologies for the late reply.

Would it be possible for you to meet at 11:30 on 24 January?

Participants will be:

- [REDACTED] Scania
- [REDACTED] EU Scania Affairs

Kind regards,

[REDACTED]

Dear Mr Strotmann,

I am writing to you on behalf of [REDACTED]

[REDACTED] Scania, since he will be coming to Brussels on 24 January 2018.

[REDACTED] would very much appreciate the opportunity to meet with you to present Scania's connectivity strategy towards a sustainable, smarter and safer heavy-duty transport and related EU initiatives. We are particular interested in discussing the opportunities deriving from platooning and autonomous driving systems and related regulatory needs. Besides the infrastructure updates and requirements for communication and technical harmonisation, we would be happy to discuss related proposals including on data economy.

As you may know, Scania is a global leader in sustainable transport, specialized in heavy trucks and buses with over 40,000 employees predominantly based in Europe. The number of connected Scania vehicles has reached over 270.000. As such, we are a strong partner in the EU's work on smarter and sustainable transport and in finding balanced solutions to enhance transport services based on new data.

In context of the above, **would you be available for a meeting on 24 January?**

Please do not hesitate to contact me should you need further information.

Kind regards,
