

Dear Mr Abdul Hai,

I refer to your message dated 09/08/2018 in which you make a request for access to document in relation to GDPR after Brexit. Your request was registered under Ares(2018)4628511.

I am afraid we can not be of your help in this subject as the BEREC Office does not hold any document that would correspond to your request.

The present reply constitutes the final decision to your initial application. Please note that you may, within 15 working days, make a confirmatory application asking the BEREC Office to reconsider its position.

Kind regards,

Laszlo Igneczi
Administrative Manager
