Dear [REDACTED],

Ahead of our meeting tomorrow, please find below some questions we would like to discuss with you in relation to the collaborative economy.

- Do you have estimates on the impact that the collaborative economy has had in terms of economic activity, employment, quality of the service, offer and demand, in the sectors you represent?
- In which Member States you consider that new type of business models in the collaborative economy are developing faster? And if so, which are the reasons?
- Are your members taking advantage of the digital technological developments and the opportunities offered by this new business models?
- What are the main economic drivers/reasons for success of your organisations' businesses? Quality of service, unique service, cost competitiveness?

We would be grateful if you could inform us in advance of the participants to the meeting from your side.

We look forward to our discussion tomorrow.

Dear [REDACTED],

Thank you very much indeed for your prompt reply. Indeed, we our main interlocutor remains DG MOVE, however we would very much appreciate it if we could have a meeting on a potential regulatory framework for the collaborative economy and DG GROW's forthcoming initiatives on that.

I look forward to hearing back from you.

Kind regards,

Dear [REDACTED],

Thank you very much for your email. While we understand that your main interlocutor on taxis and coach tourism issues remains DG MOVE, we are of course open for a meeting. In such case, we would appreciate if you could send us in advance the questions you would like to address during such meeting.
