Annex 1: Updated list of experts for Pilot Project

Annex 2: Preliminary evaluation schedule of Pilot Project

Dear [REDACTED]

In reply to your letter of 31 May 2016, I hereby send you, in annex 1, an updated list of experts for the evaluation of the proposals of the Pilot Project.

One expert nominated by the French MoD and one British expert from SESAR JU, whose nomination was supported by the UK MoD, have been added to the list as well as the missing CVs of three experts. One expert whose CV was not received, has been removed.

I recognise the challenge of the availability of experts in the summer period and/or a potential conflict of interest, but can assure you that EDA will make the necessary efforts to ensure that the panels have the experts with the necessary expertise. A preliminary schedule of the evaluation is attached.

Should you wish to have an observer from DG Grow, throughout the overall evaluation process, as discussed during the negotiation of the Delegation Agreement, I propose that you designate a suitable candidate, taking into account his or her availability during the planned dates of the evaluation panels.

I look forward to your approval of the attached list, with a view of the further planning of the evaluations.

Yours sincerely,

[REDACTED]
Denis ROGER
