On Friday 28 April 4.1(b) and 4.1(b) met with 4.1(b), 4.1(b) Ridens Public Affairs (RPA), at his request, to discuss Indonesia.

- 4.2 4.2 4.1(a) 4.2 has therefore established an office in Indonesia – and is now also servicing in Brussels the Benelux-Indonesian Chamber of Commerce.
- 4.2 recently organised an outreach event in JKT on CEPA (report from DEL attached), and was surprised by the high interest and turnout (including 4.1(b) as speaker – RPA handed over a copy of his slides – also attached). They feel there is a gap to fill and plan to do regular outreach work, in JKT and in BXL. We informed about the upcoming roundtable end May.
