Dear Mr [REDACTED],

Thank for your mail. I am happy to receive you on 18/6 pm. Could you please propose a concrete timing?

Our offices are in Beaulieu 5, 1160 Oudergem.

Could you please send the filled-in form (attached) back to [REDACTED] (in cc)?

Best regards,

[REDACTED]
European Commission - DG ENV - B1

Subject: meeting request 18-06

Dear Mr. [REDACTED],

Plastics is one of the main political issues of this year 2018. The European Commission published the EU Strategy on Plastics & proposal for a SUP-Directive and the European Parliament had a couple of debates. Also Nestlé is very much committed that none of our plastics ends up in the environment, particularly in our rivers and oceans (see the Europe version of our Global Commitment attached).

I would like to enquire whether you would be willing and available for a meeting with our Sustainability Packaging Expert, [REDACTED], and myself on that topic. We would like to propose a meeting on Monday 18th of June (ideally in the afternoon in/around the EP), since Mr [REDACTED] is in Brussels only that day. Would that suit you?

Many thanks for your consideration and kind regards
