Subject: Meeting with Amazon on 19 April?

Dear Mr [REDACTED],

I trust this e-mail finds you well.

Further to Amazon's meeting with Commissioner Bienkowska last year, we wanted to propose a follow-up discussion with you to explain Amazon's approach to product safety. We would also like to brief you on the ongoing industry initiatives, including self-regulatory principles, and our discussions on possible data sharing with DG JUST. We will of course be happy to discuss any other issues you may want to raise.

Would you be available to meet with one of our senior compliance leaders on 19 April, either in late morning or early afternoon? Please let me know if you have any questions or if you wish to discuss this over phone – I haven't been able to reach your office.

Best wishes,

[REDACTED]
