

Hi [REDACTED],
That works!. Many thanks for your patience.
Have a great weekend!
Best regards

Dear [REDACTED],
Good idea!
Monday 12th from 15:00 to 15:30 could work for us. Is that ok also for you?

Dear [REDACTED],

I'm writing only to you to avoid overloading other people's mailboxes.
Unfortunately these two dates don't work either.
What about 12th November anytime after 11.30 am?
Best regards

Dear [REDACTED],
Unfortunately none of your suggested slots could work for us.
Alternatively, we could propose either Tuesday 6th Nov from 10:00-12:00 or Thursday 8th Nov 10:00 – 12:00 or 15:00 – 17:30.
Please let me know if any of these proposals is convenient for you as well.

Subject: RE: Request for a meeting with IOGP and FuelsEurope on sustainable finance
Dear [REDACTED],

Thank you very much for the response to our request.
Unfortunately neither 15th nor 19th October works for us. Is it possible to set up a meeting with Ms Melngaile for instance on 29th or 30th October (29th Oct. anytime after 11.30 and on 30th Oct. before 15.30 or after 17.00)?
Please be also informed that we will have a pleasure to meet with [REDACTED] on 16th October as he is addressing the EU Committee meeting to present the Commission's

package on sustainable finance to around 40 members from our side. We very much appreciate that [REDACTED] has allocated time to our internal meeting. Given that this is a new issue, we are trying to raise awareness of the main points and implications within our industry.

At the meeting with Ms Melngaile, we would like to outline our main concerns/recommendations regarding the taxonomy proposal.

Have a great evening!

Kind regards,

[REDACTED]

Dear [REDACTED]

I'm contacting you in order to set up a meeting with Ms Melngaile based on your request below.

Ms Melngaile would be available for a meeting with you either **Monday 15 October at 4pm or Friday 19 October at 3pm.**

Could you please let me know if any of these slots is convenient for you as well?

Best regards,

[REDACTED]

Subject: Request for a meeting with IOGP and FuelsEurope on sustainable finance

Dear Ms. Melngaile,

I am writing on behalf of IOGP* (International Association of Oil and Gas Producers) and FuelsEurope* to **request a meeting** with you to introduce our Associations and present our views on the Commission's package on **sustainable finance**.

IOGP represents companies active in the exploration and production of oil and gas – the upstream sector, whereas FuelsEurope represents the oil refining and marketing industry in Europe.

Depending on your availability, **we would be happy to meet with you and your colleagues, for instance during upcoming weeks.**

We would appreciate, if you could inform us about your preferences regarding the timing and date for the meeting with IOGP and FuelsEurope representatives.

We hope that this is of interest to you and we are looking forward to your reply.

Kind regards,

***IOGP:** International Association of Oil & Gas Producers, established in 1974, has currently around 80 members which represent most of the world's leading publicly-traded, private and state-owned oil & gas companies, industry associations and major upstream service companies. IOGP members produce more than half the world's oil and about one third of its gas. IOGP's mission is to provide a forum for sharing experiences, debating emerging issues and establishing common ground to promote co-operation, consistency and effectiveness in every aspect of health, safety, the environment, security, social responsibility, engineering and operations.

***FuelsEurope:** FuelsEurope was known until June 2014 as EUROPIA, which was formed in 1989 to represent the interests of Companies conducting refinery operations in the EU with the EU Institutions. It represents with the EU institutions the interest of 41 Companies operating refineries in the European Union. Members account for almost 100% of EU's petroleum refining capacity and more than 75% of EU's motor fuel retail sales. FuelsEurope aims to promote economically and environmentally sustainable refining, supply and use of petroleum products in the EU by providing input and expert advice to the EU Institutions, Member State Governments and the wider community.
