Dear Art.4.1(b)

With pleasure, let's meet at a convenient time for both. Thanks for sharing this info, very useful for me too.

Art.4.1(b) will check availability and will propose some slot.

Best regards,

Miguel

Dear Miguel,

I wanted to keep you in the loop of our recent discussions with DG AGRI and to ask if it would be possible to set up another meeting to discuss the current status of the FTA and of the areas of concern to HEINEKEN.

As you may be aware HEINEKEN has recently appointed a new Art.4.1(b) Art.4.1(b) and as such is familiar with the issues for us at EU level, including this issue for Desperados. He will be in Brussels both this Wednesday 21<sup>st</sup> and next Wednesday 28<sup>th</sup> (afternoon) so I was hoping that we could find a moment on one of these dates to discuss. If not then he would be happy to come to Brussels at a time that suits you better.

In the meantime I share with you the follow up which I sent to DG AGRI after our recent discussions. We had a very constructive meeting with the two experts and the discussions raised one or two key issues which we felt it worthwhile to clarify below.

Thanks for your time and I hope to meet you again soon

Regards
