Hi Manuel,

THU @5.45PM work for us, thanks.

We suggest the following room: Bilateral meeting room 1.5 in the Strategic Partner Lounge in the Congress Centre.

Thank you for letting me know if this works on your side.

I fine with you, would suggest a quick touch base next week to align on content.

Thanks much,
[REDACTED]

Dear [REDACTED]

Thank you.

On the 24th I'm afraid Commissioner's agenda is already quite full. Thursday PM at 5.45 would be good. Is it suitable on your side?

Hi Manuel,

This is great news!

What about January 24 @2.30PM in the Strategic Partner Lounge of the Congress Center?
Just to flag that we are still in the process of moving another meeting to accommodate January 24 PM.

Just wanted to check in if THU early AM or PM would eventually be an option as well.

Best,

Dear [REDACTED]

Commissioner Moedas would be happy to meet [REDACTED] during Davos this year. Would it be possible to do it on the 24th afternoon (30 min meeting)? Would you also be able to arrange a place to meet?

Best regards

Dear Mr. Vicente,

I am writing you on behalf of [REDACTED] of Hewlett Packard Enterprise (HPE), to request a meeting

With Commissioner Moedas during the World Economic Forum in Davos.

HPE is a global leader in High Performance Computing (HPC).

We participate in a number of strategic research projects around the world and are currently working with NASA to implement the first HPC system in space.

[REDACTED] would welcome a conversation with Commissioner Moedas on HPC and its future in Europe.

I will contact your office in the coming days to discuss the feasibility of such a meeting.

Best regards,
