Subject: kind request for a meeting - Merck Family Visit

Dear Mr Vicente,

I am contacting you in order to inquire on the availability of Commissioner Moedas for the 18th of May early after-noon (16:00- 17-00).

Today I had the pleasure to listen to Commissioner Moedas talk about EU's innovation challenges and opportunities during the discussion organized by Friends of Europe. While pointing out the main priorities for his cabinet, Mr Moedas stated that one of his main goals is bringing down the framework conditions barriers as well as ensuring a smooth fusion of the physical and digital world especially in the health sector that will be a game changer for patient access as well as for the industry overall.

Given Commissioner's Moedas interest in innovation technology, I am writing on behalf of Merck Group, **to inquire into his availability for a meeting with the Merck family and executive board members of the company on 18th of May in Brussels, at our offices on rue Montoyer 21, 1000.**

Merck is a leading company for innovative and top-quality high-tech products in **healthcare, life science** and **performance materials** with around 39,000 employees worldwide committed to improving the quality of life for patients. Merck is the world's [oldest pharmaceutical and chemical company](#) dating since 1668, the **founding family** remaining the [majority owner](#) of the company to this day.

I have briefly spoke with your colleague [REDACTED] (in cc) who has suggested that I contact you for more information on Mr Moedas agenda.

It would be much appreciated if you could let me know if there would be a possibility for Mr Moedas to attend the Merck family and board internal meeting to discuss EU's role in putting value into research.

I remain at your disposal for more information.

Looking forward to your reply!

Best regards,

[REDACTED]
