Your application for access to Frontex documents

Dear Ms Izuzquiza,

In response to your application acknowledged on 9 September 2019, asking for access to

Fundamental Rights Officer reports to Management Board number I to XIII, both inclusive,

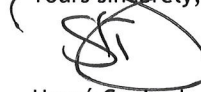

I note our common endeavour to accommodate your application for a large number of documents for which a solution was found on 12 September 2019. Resulting in the registration of your application CMS-2019-00009-0037, the common solution found consists of considering your application as three separate applications to be considered consecutively and with separate time-limits. Consequently, I am pleased to inform you that in regard to your application CMS-2019-00009-0324 registered on 3 October 2019 regarding:

Fundamental Rights Officer reports to Management Board of 2014,

Frontex can grant you access and you may find the documents attached. Please note however that as parts of the documents contain personal data, in particular, the names of individuals, these had to be expunged based on Article 4(1)(b) of Regulation (EC) No 1049/2001¹ as their disclosure would undermine the protection of privacy and the integrity of the individual, in particular in accordance with European Union legislation regarding the protection of personal data.

Kindly be reminded that the copyright of the documents rests with Frontex and making these works, communicated solely to you in this form and forum, available to third parties in this or another form without prior authorisation of Frontex is prohibited. Please also note that Frontex does not assume liability stemming from the use of the documents.

Yours sincerely,

Hervé Caniard

Head of Transparency Office
