Subject: Request for a meeting with Shell on 3 October

Dear Mr Borchardt,

We are pleased to note that you will participate to the panel discussion at the event on "Accelerating the energy transition: what is the role for decarbonized gas?", hosted by POLITICO and sponsored by Shell on October 3rd.

With this email we would like to request a meeting with David Wells, Vice President for Shell Energy Europe, who will be delivering opening remarks at the event, earlier in the day. Mr Wells is available from 13.00h onwards on October 3rd.

Shell has expressed support for the EU's ambition to achieve climate neutrality by 2050. We would be interested to discuss the potential contribution of gas to achieve the EU's climate goals in the context of the upcoming gas market reform.

I would like to thank you in advance for your kind consideration of this request.

Looking forward to hearing from you,

Kind regards,
