Subject: Invitation to speak to our Top level (Presidents and DGs of our member federations)

Dear Valdis,

BusinessEurope will be organising a videoconference with the top level (Presidents and DGs) of our member federations in order to exchange on the situation and on how to further mitigate the economic impact of the Covid-19 crisis.

We would like to invite you to join this videoconference for about one hour in order to explain the measures and steps taken by the European Commission and other institutions and to answer questions our members might have.

The conference could happen on 1. April (between 15:00 and 17:00) or on 2. April (between 9:00 and 15:00).

Could you please tell us rapidly whether you would be ready to join our videoconference for about one hour and if so, which moment could suit your agenda best, so that we can then go forward inviting our top level members.

All the very best and thank you in advance for your answer.

Best regards,
