Subject: Request for a meeting with MEP Patrick Breyer on ePrivacy

To whom it may concern,

I am writing to you on behalf of MEP Patrick Breyer, who would like to invite Mr Breton for a meeting, in order to discuss the proposal for a Regulation on Privacy and Electronic Communications.

May I suggest **Wednesday 11/12 at 12pm** as a possible date and time?

We would like to invite him and his team in the premises of the European Parliament and my colleagues and I will make the necessary arrangements. I could confirm the room upon the confirmation of the meeting.

Kind regards,
