**Subject:** EMMA and ENPA meeting request on ePrivacy

Dear Ms. Chirico,

We write to you on behalf of EMMA (European Magazine Media Association) and the ENPA (European Newspaper Publishers' Association). Please allow us to begin by congratulating you for your new position and we hope to commence a constructive dialogue with you on several issues.

We saw last year in early December that Commissioner Breton has taken interest in finding the most constructive and suitable way forward concerning the ePrivacy dossier. We as press publishers have been in the forefront of the discussion since the Commission proposed the Regulation in 2017, as it impacts our sector to a great length.

This is why we would welcome a meeting with you at your earliest convenience to be able to punctually convey what we see as a way forward **regarding the ePrivacy Regulation. It would be preferable to discuss these aspects with you either on 14 January or on 17 January**, as one of our most prominent experts on this topic and many other areas of interest from your portfolio will be traveling to Brussels on these dates.
