Dear Commissioner Canete

I am writing to you on behalf of the Eurogas President, Philippe Sauquet, CEO (Gas, Renewables & Power) of Total, to request a meeting with you on 9th September 2019.

We would be very pleased to meet you to discuss the role of gas in the energy transition on a road to a carbon neutral 2050. Given that the policy landscape in Europe will be focusing on the Long Term Strategy and the future gas market in Europe in the coming months, we would like to present our vision for the evolution of the gas market in line with the long term strategy, among other important strategic considerations for the EU gas market.

We hope that you would have time for a meeting with us on this date.

I look forward to hearing from you.
