Dear [REDACTED],

We have already set up a meeting with Mr. Leroy, GIE President on 27 February at 15:00.

I was in contact with [REDACTED], here in CC.

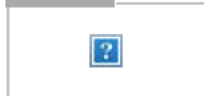

I understood that your meeting is quite urgent.

Would you have a possibility to discuss inside your company and agree on one joint meeting?

[REDACTED] would be available 13/02 at 11:00 or 24/02 at 11:00.

Best regards,

Subject: Liquid H2 imports from outside Europe

Dear [REDACTED],

It was very nice meeting you last evening.

As we discussed shortly about importing liquid hydrogen to Europe and understood that you are currently tackling this matter, I thought it is timely to get back to you and suggest a meeting where we can discuss this in more details. Our association's members include the European LNG terminals as well and we would be happy to tell you more about their vision for renewable energy imports from outside Europe.

Would you be available for a meeting in the following days, for example:

- Thursday 13/02 10:00 until 14:30
- Monday 17/02 pm after 15:00
- Thursday 20/02 am until 11:30
- Monday 24/02 am
- Tuesday 25/02 until 14:00

Many thanks!

Best wishes,
