Subject: Update of TEN-E

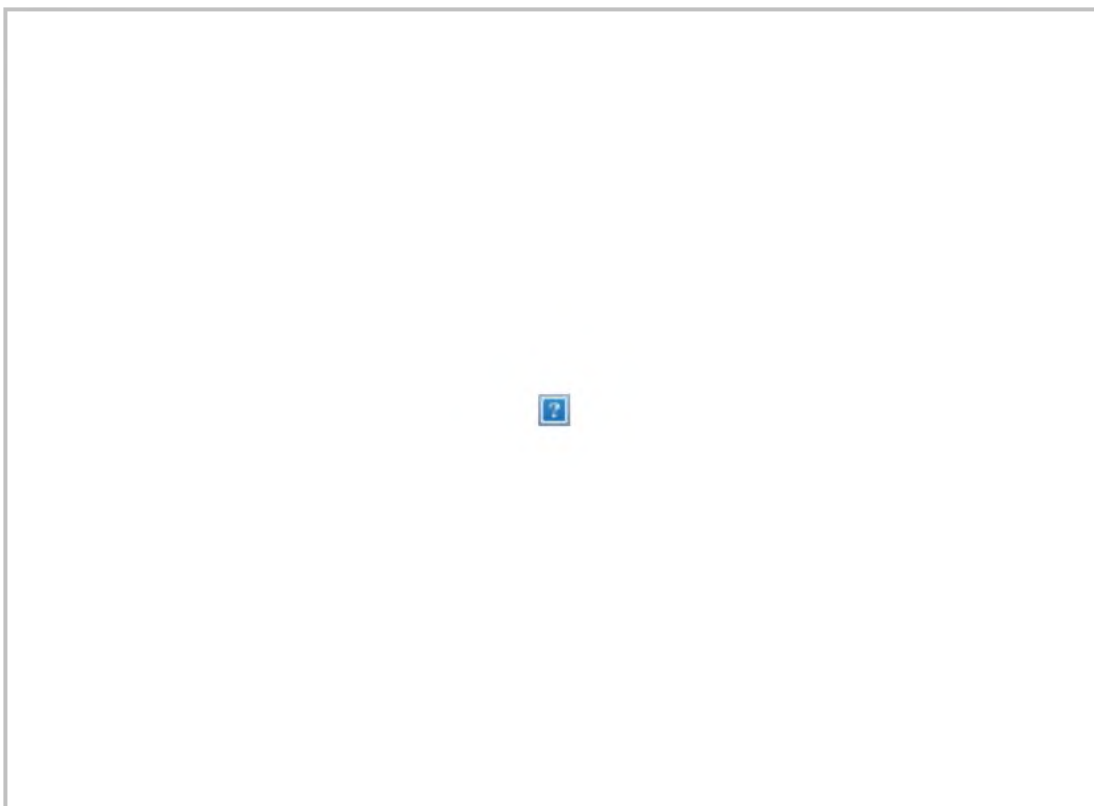

Dear [REDACTED],

Regarding the ECs preparations to update TEN-E (Reg (EU) 347/2013), on the EC website we found the below timetable. The Roadmap phase is now closed. There is a public consultation planned in Q1 2020 (probably of a proposal from EC); and adoption by EC planned before end 2020.

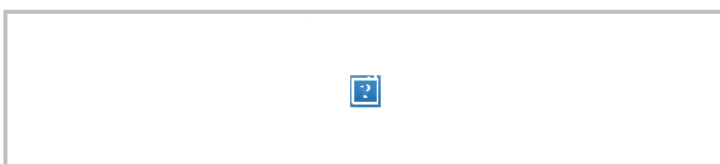

We at ENTSOG are interested to understand how the intended update of TEN-E is proceeding and how we could contribute.

Best Regards,

[REDACTED]
