

Minutes of the Meeting

CEOs/CIOs of members of Investment Leaders Group

10th of April 2018, Brussels

On 10 April, VP Dombrovskis met with some members of the Investment Leaders Group (ILG). The ILG is a group of leading asset owners and managers with a combined \$5 trillion under management, and the group's goal is to foster a socially and environmentally responsible investment chain.

The VP President presented the main actions of the Sustainable Finance Action Plan. During this meeting the ILG expressed strong support for the Sustainable Finance Action Plan. The discussion revolved around specific aspects of the actions related to taxonomy, investors duty, and disclosures.
