Farewell visit to Foreign Minister Makei on 29.07.2019

He repeated the offer, made by the President, that BY stands ready to invite experts, from the commission to visit the NPP before the commissioning. He also said that they are finalizing the Action Plan on the implementation of the recommendations of the Peer review and the NAP should be published in the nearest future. I underlined once again that it is important that DG energy and ENSREG get a direct copy of the NAP as soon as possible.
