Subject: Internal review of access to documents request - Concerning Medical Negligence

Dear Health and Food Safety,
Thank you for your response.
Please pass this on to the person who reviews confirmatory applications.
I am filing the following confirmatory application with regards to my access to documents request
'Concerning Medical Negligence'.

With respect: whether or not the DG requires such information, it remains competent to offer at least some guidance; assist the information seeker in accordance with its own rules, whether or not the requested information is offered. There's no evidence you choose to do so. Would you kindly explain?

A full history of my request and all correspondence is available on the Internet at this address:

Yours faithfully,
[REDACTED]
