Request for public access to ESRB documents

3 August 2020

Dear Mr Schindler,

Regarding your application to the European Systemic Risk Board (ESRB) Secretariat, dated 8 June 2020, for access to

"[...] any information related to Palantir and its products and services, including:

a) meeting records (drafts, memos, invitations, appointments, cancellations) involving Palantir officials and people representing Palantir and their interests

b) correspondence (including within the [Authority name] and with the European institutions concerning Palantir technologies and / or its products and services or the regulatory environment of the EU that affects their products and services. This may include policy papers, consultation input, memoranda or any other form of information.

c) invoices, tenders, service agreements, purchases, orders, procurement documents, offers etc. concerning products and services using Palantir Technologies."

Identification of the requested documents

The ESRB, after having carefully examined your request in line with Decision ESRB/2011/5^[1], has not identified ESRB documents of relevance to your application.

Yours sincerely,

Francesco Mazzaferro
Head of ESRB Secretariat

Tuomas Peltonen
Deputy Head of ESRB Secretariat
