## Objet : Huawei and the EU Security Union

Dear, Ms.

believe you may see [REDACTED] this weekend at the Munich Security Conference (MSC) and I note the remarks of Commissioner Schinas at MSC stressing the need for trust to build a true security union in the EU. EU Member States will now proceed with national approaches to implement measures from the EU 5G toolbox that may destabilize coherence of the external and internal dimensions of security in the EU. I would be very grateful for an opportunity for Commissioner Schinas to meet [REDACTED] [REDACTED] during the first three weeks of March in Brussels or Strasbourg to discuss cybersecurity of critical infrastructures.

Best regards
