Dear [REDACTED],

Referring to your email below I'd like to send you as an attachment for information the draft text for the enforcement of the Regulation on PPE on national level in Germany. This draft text contains in Article 2 the relevant rules for the PPER including the necessary rules on penalties according to Article 45.

Due to a current ruling of our Federal Constitutional Court on how to enforce European Regulations on German level we are unfortunately behind schedule. We are working to finish the process and notify the final text to the European Commission as soon as possible.

If you have comments or questions to the current draft text you are invited to contact my colleagues or me under IIIb5@bmas.bund.de .

Kind regards
