Dear [REDACTED],

on behalf of colleagues dealing with the issues of Personal Protective Equipment (PPE) I would like to inform you as follows:

The obligation to establish sanctions for economic operators violating the provisions of Regulation (EU) 2016/425 of 9 March 2016 on personal protective equipment and repealing Council Directive 89/686/EEC and Regulation (EU) 2016/426 of 9 March 2016 on appliances burning gaseous fuels and repealing Directive 2009/142/EC, will be implemented through changes in the Act of 13 April 2016 on conformity assessment and market surveillance systems, ie the catalog of regulations on administrative fines will be expanded.

The amendment to the Act on conformity assessment and market surveillance systems was adopted by the Polish Parliament on June 15, 2018.

The next stage is presenting the Act to be signed by the President of the Republic of Poland. The Act will enter into force in July this year. After the publication of the Act in the Official Journal of the Republic of Poland, it will be officially notified to the European Commission (through the Permanent Representation of the Republic of Poland to the EU).
