Dear [REDACTED],

Thank you for providing us with this information. We already take note of the notification.

Nevertheless, we would kindly invite you to formally transmit this notification to the Commission via your Permanent Representation.

The procedure would be the same as the one that your colleagues followed when notifying the Dutch penalty provisions in relation to Regulation 2016/424 on Cableway installations which entered into application on the same date as Regulation 2016/425 on PPE.

The notification letter should be addressed to Ms Lowri EVANS, Director-General of DG Internal Market, Industry, Entrepreneurship and SMEs. In annex, We would invite you to attach the "Warenwetwetbesluit persoonlijke beschermingsmiddelen 2018".

Kind regards,

[REDACTED]

Subject: notification Regulation 2016/425

Dear colleague,

At the end of the meeting of the Working Group PPE of 19 November 2018 it was mentioned that the Netherlands has not complied yet to the obligation of Regulation 2016/425 article 45.

Unfortunately it seems that something went wrong in the notification procedure. For your information I hereby send you the "Warenwetwetbesluit persoonlijke beschermingsmiddelen 2018" of 11 April 2018, which was published on 17 April 2018.  
I would be grateful if you can inform me about the correct notification procedure in order to arrange this as soon as possible.

Kind regards,
