Subject: Your application for access to documents – Ref GestDem No 2020/4320

Dear Mr Haar,

We refer to your e-mail dated 15 July 2020 in which you make a request for access to documents, registered on the same day under the above-mentioned reference number.

You submitted an application for access to documents which covers topics falling under the responsibility of different Commission services. In that regard, your request has been split into the separate requests, whereby each part is attributed to the respective Commission service under a separate Gestdem reference number. Each Director-General service provides its own, separate reply which relates only to the documents held by that service.

In particular, this reply covers the following scope:

*“i. A list of meetings between representatives for BusinessEurope and/or the European Roundtable for Industry and Executive Vice-President Timmermans  
ii. Minutes of meetings between representatives for BusinessEurope and/or the European Roundtable for Industry and Executive Vice-President Timmermans and/or his cabinets  
iii. Any written communication, including emails and any document exchanged between representatives for BusinessEurope and/or the European Roundtable for Industry and and Executive Vice-President Timmermans and/or his cabinet”.*

We have identified 26 documents that fall under the scope of your application. The list of identified documents is enclosed with this letter.

In accordance with Article 4(4) of Regulation (EC) 1049/2001, DG CLIMA has consulted those third parties concerning the disclosure of the requested documents emanating from them.

Please find the identified documents enclosed with this letter. However, I regret to inform you that I cannot give you access to some parts of documents 1-9, 11-16, 18-20 and 22-26.

A complete disclosure of the above-mentioned documents is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain: names and contact information of Commission staff members not pertaining to the senior management; names and contact details of other natural persons; other information relating to an identified.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward any arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested documents, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

As regards point i. of your request. Please note that all meetings held by the Executive Vice-President and his Cabinet are available in the links below:
