2020-03-19 Letter extension CPs_Final.pdf

Dear Executive Vice-President, Dear Chairman

Please find attached a letter signed by fifteen trade associations, buy and sell side and market operators, which seeks to mitigate the impact of the current COVID-19 situation in Europe by requesting that you reconsider the current timeframe to respond to the different MIFID consultations in light of the ongoing situation and to extend the relevant deadlines to the 1st of July 2020, subject to a further extension based on market conditions.

We commend and support the work you and your respective teams continue to do under these very strained conditions and appreciate that the situation is also impacting your organisations.

We very much look forward to hearing from you.

Warmest regards.
