Dear Ms [REDACTED]

Many thanks for your reply and [REDACTED]

We finally had to cancel our March meetings as well but Mr Kröger and Mr Hietanen should be again in Brussels on 29 and 30 June.

We would be grateful if we could arrange a meeting with Commissioner Simson on one of the two days end of June.

Wishing you a good day,

Meilleures salutations | Best regards | Mit freundlichen Grüßen

Dear Mr [REDACTED]

First of all please accept our apologies for not replying to you earlier. In fact - and this is probably no surprise to you - no meetings with external participants are allowed for the coming weeks, due to the ongoing coronavirus situation.

We therefore invite you to contact us again next time Dr. Hermann Kröger and Vice-President Kari Hietanen are in Brussels.

Thank you for your understanding.

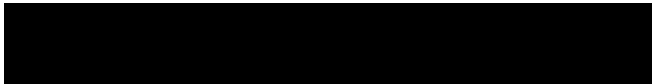

Kind regards,

[REDACTED]

Subject: EUGINE - Meeting request - Decarbonising energy / Smart sector integration - 23 or 24 March

Dear [REDACTED]

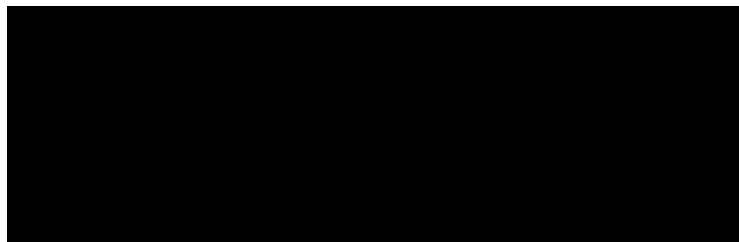

Many thanks for the acknowledgement of receipt.

We hope that a meeting between Commissioner Simson and our President and Vice-President may be scheduled on 23 or 24 March.

Should you need any additional details, please let us know.

Many thanks in advance,

Meilleures salutations | Best regards | Mit freundlichen Grüßen

Dear [REDACTED]

We hereby acknowledge good receipt of your email and kind request for a possible meeting with European Commissioner Kadri Simson on 23-24 March 2020. We will look into it and get back to you with a reply in due course.

Yours sincerely,

[REDACTED]

Subject: EUGINE - Meeting request - Decarbonising energy / Smart sector integration - 23 or 24 March

Dear Ms Commissioner,

EUGINE represents companies such as MAN, Rolls-Royce, ABB or Wärtsilä manufacturing highly flexible and efficient power plants in Europe, like the Elering power plant in Kiisa, Estonia, or the brand new cogeneration engine power plant in Kiel, Germany (92% energy efficiency, -70% emissions).

To become climate-neutral, Europe needs to progressively decarbonise its energy, its gas and its gas power plants. EUGINE would like to contribute to your work on this topic by providing insights into gas power plants' decarbonisation & role in the future.

Our President Dr. Hermann Kröger (MAN Energy Solutions) and Vice-President Kari Hietanen (Wärtsilä) would be extremely pleased and honoured to meet you and discuss the upcoming "Strategy for smart sector integration" with you. Both will be in Brussels at the end of March and would very much appreciate the opportunity to meet you in the afternoon of Tuesday 24 March, or if more convenient for you, in the afternoon of Monday 23 March. Could your team please let us know whether we could arrange a meeting on one of these two dates?

We look forward to your reply.

Many thanks in advance,

Yours sincerely,

[REDACTED]
