SHORT NOTES OF A MEETING

Subject: Meeting of Anthony Whelan with The Information Technology Industry Council on 28 January 2020 (*Overall digital policy, including technological sovereignty, open multilateral economic governance, trade in technology, data strategy*)

General introductory meeting. Interested in technological sovereignty agenda.

ITI favours joined up policy (e.g. AI link to cybersecurity).

Big focus on industry standards to drive international convergence.

ITI will be developing revised policy recommendations by end February 2020.
