Subject: follow-up to meeting with WindEurope, 20 October

Dear Commissioner,

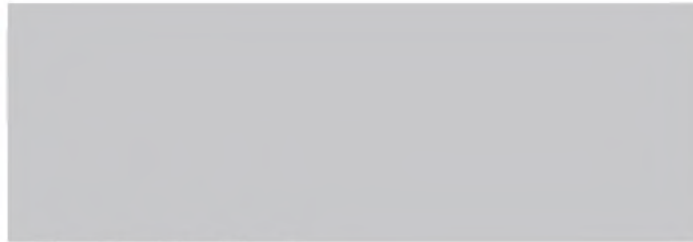

Thank you very much for the excellent meeting yesterday on the Offshore Energy Strategy.

As promised, I attach a summary of the various points we made.

I will send to you tomorrow the note you requested with examples of multiple use of sea space.

As we discussed, we greatly appreciate the work you're doing on the Strategy. We are determined to support you in your goal of helping to deliver up to 450 GW of offshore wind in Europe by 2050.

Kind regards
