Subject: Invitation | RSB Skype for Business Board meeting Wednesday, 4 November 2020 | CNECT Digital Markets Act

Dear Colleagues,

You have submitted your draft Impact Assessment on the above subject for examination by the Regulatory Scrutiny Board on **Wednesday, 4 November 2020**. The discussion of your case will take place **from 11:00 to 12:00 in Skype for Business meeting**.

You will find attached the 'Impact Assessment Quality Check list' which reflects the Board's initial assessment of how the main requirements in the Better Regulation guidelines have been met. It also includes a set of main issues for discussion in the meeting.

If you would like to provide a short written response to the main discussion points, indicating how you propose to further develop your report, we would appreciate receiving it by lunchtime on 3 November. This will support discussion with the Board but the opinion will be based on the Impact Assessment submitted.

Could you **kindly confirm the names and the position of the colleagues attending from your DG by 29 October, cob**. It is suggested that the author DGs are represented by up to eight persons, ensuring participation of a Director and preferably including someone from the DG's IA support unit.

Best regards,

Regulatory Scrutiny Board Secretariat
