COMMUNICATION
Subject: For Info: EMA on Remdesevir

Dear Members of the HSC Communicators' Network,

The European Medicines Agency has published yesterday a press release on Remdesevir – the first COVID-19 treatment recommended for EU authorisation.

You can see the press release here: <https://www.ema.europa.eu/en/news/first-covid-19-treatment-recommended-eu-authorisation>.

The Commission will soon follow with the formal decision on granting conditional marketing authorisation for Remdesevir. I will inform you again in due course.

Best regards,
On behalf of the HSC Secretariat
