Dear members of the Health Security Committee,
Dear colleagues,

In the HSC meeting of 5 November, [REDACTED] presented their work with the World Health Organization on an electronic COVID-19 test/vaccination certification. Please find presentation from [REDACTED] attached, as well as a short introductory document.

As agreed during the meeting, we would like to collect HSC Members' reactions in this regard. Kindly inform us:

- whether a COVID-19 test/vaccination certificate like the one proposed by [REDACTED] in the HSC meeting of 5 November would be of interest to your country, and
- what kind or format of certificate could be useful for your country.

We would appreciate to receive your replies by 25 November cob.

Thank you very much in advance.

Kind regards,

HSC Secretariat
