A QR based application will be operational in Spain from next Monday at airports and ports. It has been developed by the Foreign health unit at the MoH. I will ask for further technical details and will come back to you as soon as possible.
Best regards

Asunto: COVID-19 test/vaccination certificate

Dear members of the Health Security Committee,
Dear colleagues,

In the HSC meeting of 5 November, Estonia presented their work with the World Health Organization on an electronic COVID-19 test/vaccination certification. Please find presentation from EE attached, as well as a short introductory document.

As agreed during the meeting, we would like to collect HSC Members' reactions in this regard. Kindly inform us:

- whether a COVID-19 test/vaccination certificate like the one proposed by EE in the HSC meeting of 5 November would be of interest to your country, and
- what kind or format of certificate could be useful for your country.

We would appreciate to receive your replies by 25 November cob.

Thank you very much in advance.

Kind regards,

HSC Secretariat
