Subject: Meeting in early 2021

Cher [REDACTED],

I recently had the opportunity to talk to Mrs. Alexandra Tomczak by phone and she asked me to contact you to organize a meeting with her at the beginning of 2021.

Bearer of the industrial, notably nuclear, challenges of EDF in Brussels, I would like to present the situation of our industrial group on all the energy subjects in which it is involved.

This covers for instance the fields of offshore wind, hydrogen, ETS and SMRs. The interview would also address all of the cross-cutting European energy themes for which the nuclear industry has a role to play. Obviously, I will provide you with an agenda before the interview, once a date has been defined. Could you please give me some time slots for virtual meetings ?

Pending your response, I wish you a very Merry Christmas despite the pandemic and I also take this opportunity to present you my best wishes for 2021, to you and your loved ones.

Bien cordialement,
