Subject: Extension of deadline - your access to information request from 1/3/2021 (Funding information - Western Europe)

Dear Ms Blagovesta Vodenicharova,

Further to our acknowledgment of receipt dated 8/3/2021 and your access to information request dated 1/3/2021 registered under reference number Ref.: 01-2021, please note that your application is currently being handled.

However, we are not in a position to complete the handling of your application within the time limit of 15 working days, which expires on 23/3/2021 for your request.¹

Please note that an extended time limit is required, because the pieces of information you requested require further research and validation with the Knowledge and Innovation Community (KIC) concerned.

Therefore, we are herewith extending the time limit with 15 working days in accordance with the Decision on the Ethical and Organisational Code of Conduct of the EIT.²

Yours sincerely,

David Tas

Acting Head of EIT Innovation Communities Unit

¹ Please note that 15 March is a public holiday in Hungary and for the EIT.
