**Subject:** International Airlines Group (IAG) Meeting Request - 27 January 2020

Dear Ms de la Torre, Ms Yordi, and [REDACTED],

We have contacted you individually to organise meetings during COP 25 in Madrid with representatives from the International Airlines Group (IAG), including [REDACTED]

Those meetings could not be arranged but we are happy to inform you that [REDACTED] will be in Brussels on 27 January. Given your respective roles in DG CLIMA, we would suggest organising one meeting which would allow [REDACTED] to introduce IAG's initiatives on sustainability and discuss to what extent EU policy can help support these actions. Please let us know if this option would work well for you and what would be the most convenient time in your agenda.

As already mentioned, IAG is the parent company of historic European airlines Iberia, British Airways and Aer Lingus and the new generation carriers Vueling and LEVEL connecting 268 destinations worldwide including 143 cities across the EU. In October 2019, IAG became the [first airline group worldwide](#) to commit to an ambitious target of net zero carbon emissions by 2050.

I would be grateful if you could let me know whether the proposed date would be compatible with your agendas and if there is a common time we could find.

Thank you in advance. If you have any questions, please do not hesitate to contact me. I am very much looking forward to hearing from you!

Kind regards,

[REDACTED]
