Good morning [REDACTED],

Thank you for taking my call yesterday regarding the Commissioner's meeting with Boeing's [REDACTED] on 15/10.

To ensure all of the final logistics are confirmed ahead of time, I am copying my two colleagues [REDACTED] and [REDACTED] so they are aware of the final pieces of information as I will be out of the office. Thank you in advance for confirming the final attendees from the EC side, and if we can proceed with a Webex video call to avoid any technical issues. It would also be helpful to have a backup contact number, should there be any issue at the time of the call.

Please do let us know if you need anything else from Boeing's side. Many thanks for your help.

Kind regards,

[REDACTED]

Good morning [REDACTED], [REDACTED]

I wanted to follow-up on [REDACTED]'s message below regarding the organisation of the Commissioner's meeting with [REDACTED] on 15 October. Unfortunately I haven't been able to reach you by phone.

Would you mind letting us know what options are available to organise a video call? As mentioned, we have had issues with reliability of Skype for previous calls with the EC, so would opt for Webex or Zoom if possible from your side, to ensure a smooth meeting.

Please feel free to give myself or my colleague [REDACTED] a call if easiest to discuss by phone. Many thanks.

Kind regards,

[REDACTED]

Good afternoon [REDACTED],

Thank you for the reply. For the agenda, I would suggest the following. Naturally we are happy to include other points that the Commissioner might wish to discuss.

- Introductions
- Boeing in Europe
- Covid-19 impact and response / rebuilding passenger confidence together
- Sustainability (including sustainable aviation fuels, future technologies / policies)
- Aviation safety (including 737 MAX return to service)
- AOB

I'm available to provide more context on the above points as need; [REDACTED] perhaps you and I could discuss briefly ahead of time if helpful?

[REDACTED] / [REDACTED]: [REDACTED] will be able to provide you with the backup numbers for

██████████ and outline the issues we've had with Skype calls with the EC to explore what is the most reliable option available.

Many thanks again for your help in organising this meeting.

Kind regards,

Dear ██████████,

Thank you very much for your swift reply.

Regarding the agenda, can I ask you, if possible, to send us the general lines by Wednesday? This would enable us preparing the meeting ahead.

As for the connection details, my colleagues ██████████ and ██████████ here in Cc will get back at you with the possibility of Webex and Zoom but, as far as I know, skype audio is the preferred option. Usually, they ask for the telephone numbers of the participants to be able to add them to the meeting directly. Again, I'm sure they'll get back at you with the options available.

I stay at your disposal for any question you might have and hope you'll have a wonderful end of day.

Kind regards,

██████████

Good afternoon [REDACTED],

Many thanks for your message. [REDACTED] will be delighted to hear a meeting is possible.

I confirm the proposed time of 12.30 CET on 15 October works from our side for a virtual meeting. I have copied my colleague, [REDACTED], who is responsible for [REDACTED]'s agenda to assist in planning.

If agreeable, I will be in contact in the coming days to confirm further details and proposed agenda topics. In the meantime, could I ask if there is scope to run the meeting using Webex or Zoom? I know we've had some issues recently when using Skype for meetings with other colleagues in the EC. If helpful, we can host via our Webex. Thanks for letting us know at your convenience.

Many thanks and kind regards,

[REDACTED]
