Dear Mr Comptour,  
Dear Ms Chirico,

I hope this email finds you well.

Please find enclosed a letter to the attention of Commissioner Breton from ITI [REDACTED] accompanying our attached comments to the Data Governance Act proposal, which we published today.

We appreciate the opportunity to provide feedback on this proposal. We wanted to share our submission with Commissioner Breton and his cabinet in addition to having shared it via the public consultation website.

We look forward to discussing this submission among other things in the upcoming meeting between [REDACTED] Mr Moutarlier and Ms Chirico on 2 February.

We remain at your disposal should you have any questions.

All the best,
