- **Third parties' participants:** [REDACTED] ([REDACTED]), [REDACTED].

Main topics discussed:

Trivago

- Protection of commercial interests under Article 4(2) first indent - We run our business out of Germany (Dusseldorf):
- Public in 2016: biggest tech IPO at the time;
- [REDACTED]
- Very promising what DMA is proposing: we can be proud that Europe is leading the way there:
- [REDACTED]
- One concern we have is timing – how long will it take to come up with law and how long will it take to get a clarification whether there is an abuse:

European Commission

Protection of the decision-making process under first subparagraph of Article 4(3)

- Many things discussed in the making of our proposal:
