Dear [REDACTED],

Thank you for your email. We booked our Commissioner's agenda for the 25/03 from 13h30 to 14h30.

I also thank you for the points in the agenda: It will clearly help us preparing our Commissioner's participation.

Regarding the conclusions, 5 to 10 min seems a bit too long on our side but, I'm sure both our bosses will have the opportunity to touch base on this prior to the event.

Please don't hesitate to contact back if needed.

Kind regards,

[REDACTED]

Good morning [REDACTED],

Following our conversation this morning on the phone, please find below our answers to your questions.

- Time of meeting: we can move the meeting to 13h30-14h30. However we would need your confirmation as soon as possible so we can plan accordingly
- Agenda:
 - primary topics: COVID travel restrictions, ATC (SES2+, ATC charges), sustainability (Green Deal, upcoming EC proposals on ETS, SAF, Energy Taxation, Fit for '55 package);
 - secondary topics: passenger rights, slots relief for Summer '21, ACD.
- Format of the meeting: we would like to have an interactive discussion. We propose this format: the A4E MD opens the discussion; then a CEO raises a topic/question (cf. above) to which the Commissioner can respond. Then the next CEO will raise another topic, and so on.

It would be good if the Commissioner could conclude with her final views (5-10 mins) in

which she can summarize and take up some points she wanted to raise, which were not raised yet and are of interest to her.

Let me know if this works for your team.

Looking forward to your confirmation.

Kind regards,

Dear [Redacted],

Due to COVID-19 we had to postpone our 'public' Annual Summit until June '21.

Hence the 'AGM' will be limited to internal administrative and private (virtual) meetings. As such the Commissioner's intervention will be based on interaction via Webex just with the A4E Steering Board CEOs – the format would be an interactive meeting rather than a classic speech by the Commissioner if that is acceptable.

Known topics include COVID-19 related recovery measures (e.g. travel restrictions, slots), sustainability, airspace efficiency (e.g. SES2+, RP3). To some extent, this meeting would be a follow-up to the call my CEOs had with the Commissioner on 20 July 2020.

Please let me know if you need more information at this point.

Best regards,

Dear [REDACTED],

Thank you for your email and, I take this opportunity to wish you, your colleagues, and the sector a happy new year.

While we are checking the timing preferences of our Commissioner, would you have an updated agenda for this event? Perhaps do you already have a view on the subjects you wish to discuss and the ones that should be covered in her speech?

Thank you very much in advance for your views.

Kind regards,
Claudia

Dear [REDACTED],

As we are getting closer to A4E's AGM, I can confirm that the meeting with Commissioner Valean will take place virtually due to the uncertainty of the COVID-19 travel restrictions situation.

In terms of timing for the meeting on 25 March with the Commissioner and our Steering Board (CEOs), though we could be flexible (any time between 13h-16h00) we could propose a Webex meeting as early as 14h15-15h15.

Would you be able to confirm the Commissioner's preferred timing, please.

Many thanks in advance.

Dear [REDACTED],

Thank you for your flexibility.

I can confirm that we can hold our next AGM on Thursday, 25 March 2021 between 13h00-17h00.

I hope that we can confirm a slot (45 min.?) for a meeting with the Commissioner and the A4E Steering Board Members (16 airline CEOs) within the above timeline. As agreed, the meeting could take place face-to-face at a venue preferred by the Commissioner or virtual depending on the valid COVID meeting instructions.

Let us confirm details closer to the date.

Should you require any information in the meantime, please let us know.

Dear [REDACTED],

Thank you for your email.

In principle, yes for the 23/03 but, Tuesdays and Wednesdays could be college meeting days. It is, unfortunately, too early to know. Alternatively, and further to our conversation, Thursday afternoon might work too.

Can we come back at you closer to the date with a final decision?

Thank you for your understanding.

Thank you for your reaction.

We appear to have a conflict with our Chair's agenda for 24 March 2021. Would 23
March 2021 (pm) be an alternative?

Dear [REDACTED],

Thank you for your email. I trust this reply finds you well.

I have the pleasure to inform that our Commissioner gladly accepts your invitation and will
participate to your AGM.

For now, it is very difficult to have an idea of what her calendar will look like in March but, in
principle, the best day and timeslot for her intervention would be on the 24 March in the

afternoon (subject to confirmation closer to the date).

We stay at your disposal for any question you might have and wait for the provisional agenda on your side.

Kind regards,

Dear Walter,

I hope this email finds you well.

Planning our AGM in March of next year, would you be able to let me know which days your Commissioner would in principle be available for a meeting with the A4E CEOs. We are looking at the week of 22-26 March, 2021. We would organize our AGM around the availability of Commissioner Vălean, if at all possible.

Thanks in advance.
