Subject: Meeting Request [REDACTED] / Apple

Dear Commissioner,

Firstly, on behalf of Apple I would like to warmly congratulate you on your appointment. It was a pleasure to have dinner with you a few months ago and discuss your upcoming EP hearing which you passed with flying colours. I wish you the best for your mandate.

Apple is keen to support the European Commission's efforts to defend and upgrade the rule-based multilateral trade system and to promote strong transatlantic economic relations. Your contribution will be crucial in ensuring the EU continues to play a leadership and constructive role in international affairs. [REDACTED] will be in Davos from the evening of January 20 to late afternoon January 23, and he would welcome the opportunity for an exchange of views on the policy priorities you intend to work on and to discuss how Apple can best contribute over the course of the mandate. If not in Davos, he would be happy to meet you in Brussels at your convenience.

Yours sincerely,

[REDACTED]
