Re: Meeting request with AmCham EU Executive Council on Wednesday, 2 October 2019

Dear Ms Weyand,

On behalf of the Executive Council of the American Chamber of Commerce to the European Union (AmCham EU), I would first like to congratulate you on your appointment as the new Director-General of DG Trade. We very much look forward to working closely with you. We would like to take this opportunity to extend an invitation to you to meet with our group on **Wednesday, 2 October 2019** in Brussels.

As you know from our previous meeting on Thursday, 17 May 2018, the Executive Council of AmCham EU is a group of 18 European CEOs who lead the European operations of some of the world's largest multinational companies. They are passionate and committed to the competitiveness of Europe in the global economy. Aggregate US investment in Europe totalled more than €2 trillion in 2018 and directly supports more than 4.8 million jobs in Europe. Please find attached our current membership list.

We would be very pleased to hear your views on the EU's trade agenda and your priorities for the Directorate-General. The EU should continue to drive an ambitious and forward-looking trade agenda and to defend the multilateral trading system, one of the engines of global prosperity. We would also be interested in discussing with you the importance of the transatlantic relationship for jobs, growth and security on both sides of the Atlantic and opportunities to strengthen the EU-US economic partnership.

We are looking forward to hearing from you and will be in touch with your office soon. In the meantime, should you require any further information, please do not hesitate to contact [redacted] at the Executive Council secretariat (tel: +32 [redacted]).

Yours sincerely,
