Dear Mr Canton, Dear Eszter,

In a recent meeting DG Jorna advised us, after hearing of our discussions with EVP Vestager and Dombrovskis, to reach out to you again.

I would like to come back to an earlier request to see if it is possible to ask for a meeting between Cefic <@> .

Topics would be the Chemical Strategy, the Ecosystems and the Fit for 55% for the EII.

But first, I would like to congratulate you on your new role – and ask if it would be good that we both meet first by phone?

Look forward to your advice,

Kind regards
