Subject: EU-UK ETS Linkage Joint Letter

Dear Mrs von der Leyen,

We welcome the commitment to 'serious consideration' which the UK and EU have given to linking their respective carbon pricing systems in the Trade and Cooperation Agreement (TCA).

On behalf of a coalition of EU and UK based trade associations, please find enclosed a letter highlighting the importance of linking the EU and UK ETSs ahead of COP 26 and urging policy makers on both sides to initiate the linking process as soon as practicable.

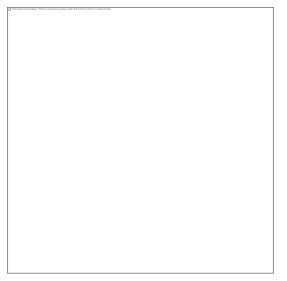

We would be delighted to discuss our views on this issue at more length. We very much look forward to hearing from you.

Best regards,
