**Subject:** RE: Possible meeting with bp

Dear [REDACTED],

Many thanks for your assistance and I appreciate you looping the team in.

[REDACTED] suggested I may reach out to each of his colleagues responsible for road, aviation and maritime, respectively – so we could have 3 targeted meetings on each area but if it would be easier or more efficient for your team, we would be happy to combine this into a larger meeting.

Simon and I would be available during the following slots:

- Wed 9 June, 9.00 – 15.00
- Thu 10 June, 13.00 – 16.00
- Mon 14 June, 11.00 – 17.00
- Thursday 17 June – all day

Thank you again for your help and I look forward to speaking with your colleagues.

Best regards,  
[REDACTED]

**Subject:** RE: Possible meeting with bp

You don't often get email from [REDACTED]. [Learn why this is important](#)

Dear Mr. [REDACTED],

I was informed you also sent the below email to [REDACTED] (Member of Cabinet in charge of road and trains). If you wish, I can arrange for a meeting with all the applicable colleagues.

I stay at your disposal if needed.

Kind regards,  
[REDACTED]

Dear Mr. [REDACTED],

Thank you for your email.

Indeed, [REDACTED] moved to the EESC. We still don't know who will be new member of Cabinet in charge of aviation but [REDACTED] is 'Faisant Fonction' until the new colleague steps-in.

Regarding maritime, the member of Cabinet responsible is [REDACTED].

Both my colleagues are in Cc but, if you wish to give me a couple of your best availabilities, I would gladly book a meeting with both my colleagues.

Kind regards,  
[REDACTED]

Dear [REDACTED],

I see that [REDACTED] has now moved to the EEAS. Are you now the right person in Ms Vaele's Cabinet to contact on maritime sector issues?

Many thanks – I appreciate your help.

Best regards,  
[REDACTED]

**Subject:** Possible meeting with bp

Dear [REDACTED],

I work in the bp Brussels office and recently spoke with [REDACTED] and he suggested I may get in touch.

As a fuel supplier, we are supportive of ambitious targets for Sustainable Aviation Fuels – and we aim to supply 20% of global SAF demand as part of our strategy. I was wondering if you may be interested in a short virtual meeting with my colleague [REDACTED] and me to exchange views on SAF / ReFuel EU?

I appreciate this is a busy period ahead of the Fit for 55 package – so please don't hesitate to suggest how else we may be able to contribute.

Kind regards,

[REDACTED]
