Subject: Thank You

Dear All,

Just a quick note to thank you all and your colleagues in the MOVE service for the very good discussions we had today on transport decarbonisation across the various modes – and in particular to [REDACTED] for helping us arrange these meetings and overcome some technical issues at the beginning.

[REDACTED] – if you could pass on the contact details of Mr [REDACTED] who you mentioned [REDACTED] on the Sustainable Transport Forum that would be much appreciated.

[REDACTED] – you may have seen that Global Witness has set up an automated Twitter account to report on meetings between the Commission and the “fossil gas lobby”. Our meeting was picked up by them and your name was mentioned in a [tweet](#) which our social media team have responded to.

Many thanks again and please let us know if we can be of any help.

Kind regards,
[REDACTED]
