Dear Ms Tuts,

I am taking the liberty of contacting you on behalf of the European Federation of Jewellery (EFJ). Founded in 2013 by members from Belgium, France, Italy and Portugal, the EFJ aims notably at exchanging best practices, promoting the unique European know how of the sector as well as developing a high level of education and research.

The EFJ representatives would be honored to meet with you at your earliest convenience to share and discuss their initiatives as well as ideas on due diligence in view of the upcoming proposal of the European Commission.

In that regard, the Federation is happy to already provide you with its policy paper on mandatory due diligence (attached).

On behalf of the EFJ, I would like to thank you for the attention that you will give to this request and look forward to your answer.

Yours sincerely,
